What's new at the Vue?

New Tree House Cabins Come to the Park

Above: Tree House cabins find home in the canopy at Grand Vue Park.

Grand Vue Park has broken ground on four tree house style cabins. We will have

two 2 bedroom cabins and two 1 bedroom cabins in an effort to accommodate more small families and couples. All cabins come fully furnished and have all amenities including: flat-screen TVs, WIFI, Cable, fully equipped kitchen, fireplaces, and are handicapped accessible with a ground level entryway. Cabins are expected to be open by Fall 2016.

Adventure Park due to open Spring of 2016

Above: The new High Adventure Course at Grand Vue Park.

Big things are happening in the High Adventure area of the park. Grand Vue Park has already broke ground on the new high ropes course that will tie into the existing

zip line tower. An 8 element high ropes course will be one of the new highlight to our High Adventure Park. The high ropes course will be 40 feet high consisting of 8 high elements with three different options to get back on the ground. The three options

include a staircase, a repelling station and a Powerfan Freefall Drop Zone. In addition to the high ropes course we will be installing a 28 foot rock-wall that enables 6 users at a time, a giant Trampoline Thing that allows you to jump 24 feet in the air while being harnessed in, a 60 foot 3-person swing overlooking the beautiful scenery at Grand Vue Park.

The opening of our new High Adventure Park will coincide with the start of our 2016 zip line season. The projected opening date is April 8th, 2016.

Message From the Manager

Craig White, General Manager of Grand Vue Park

This monthly newsletter is meant to offer another way for us to connect with you our friends and keep you updated on programs, events and special people that make Grand Vue Park so special. We strive to make Grand Vue Park a clean and state of the art recreational facility and to provide you with an opportunity to connect with nature through many different amenities. It is our pleasure to serve you every day and we want to be the place that you can count on for your adventure whether that is an extreme rush through our adventure park,

mountain biking, paint ball, disc golf or a peaceful stroll through our all natural trail system with a set of binoculars searching for the many species of birds and other wildlife that live amongst us. And don't forget to stop by our scenic overlook to take in the landscape of the City of Moundsville, or other spots throughout the park that make up the breathtaking "views" of grand VUE Park. So please continue to follow us by reading this monthly newsletter, visiting us on our website www.grandvuepark.com

or follow us on Facebook, Twitter, or Instagram. Just remember Wild and Wonderful WV Starts here! Grand Vue Park is a County owned and operated by the Marshall County Park and Recreation Board made up of individuals appointed by the County Commission. We do currently have a couple of openings on the Board, if you are interested in one of these positions please contact me Craig White at cwhite@grandvuepark.com. You must be a resident of Marshall County WV.

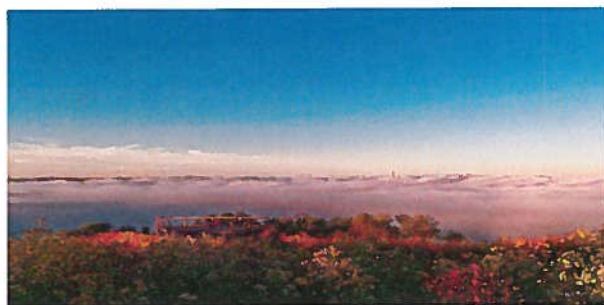

WV Disc Golf Hall of Fame and Green Course Coming this Spring

Grand Vue Park is proud to be the home of the WV Disc Golf Hall of Fame located in the upper floor of the Red Barn. The site will include memorabilia of World Champion Disc Golf Legend Johnny Sias. With his World Champion point of view and master design creativity, Sias was the lead designer on our professional level! Black Disc Golf Course, the longest course in

West Virginia. Grand Vue Park is also has the Yellow Course, which was designed with beginners and families in mind. Johnny Sias will also be designing the Green Course, which will be an intermediate level course designed for those with mid-level Disc Golf skills. The Disc Golf Hall of Fame and the Green Course are expected to be open to the public in the spring of 2016.

Scenic Overlook Gains Coin-Operated Binoculars

Grand Vue Park recently added an overlook point in the park. This overlook is located at the end of shelter road. There is an observation deck that has the most beautiful view in the park. Grand Vue

recently announced we will be installing coin-operated binoculars at our overlook observation deck. The binoculars will be up and ready for use by the public in Spring of 2016.
