What's new at the Vue?

Message From the Manager

Craig White General Manager

Hello, Grand Vue Park is excited to get the 2016 season underway. You have been and are going to read about some of the newest additions to the Park. The Park Board and employees have worked extremely hard this off season to provide what we feel will be exciting new or enhanced activities for you to enjoy. There are a couple of big changes that will take place this summer. 1.) The former Par-3 Clubhouse is now named the Trailhead Grille, this will be the restaurant that we have felt we

needed, it will feature the Mason Dixon BBQ Company. The restaurant will be full service and include 7 TV's for you to enjoy and relax. Local Micro Brews will be on tap as well as wines to go with your favorite BBQ. Because of the restaurant moving into the old clubhouse the next change will be significant. 2.) We are proud to be able to open the Barn up for use again. The barn will now become the location to check in for both par-3 golf and disc golf. It will also house the gift shop for the park, you will be able to pick up local painters paintings, select Fostoria Glass pieces, kites, birding equipment and many types of park logo items. This area will continue to grow and we will keep you informed. With the expectations of a busy season and possible parking issues, we plan to have designated "Shuttle Pickup Locations" in each parking area. On days where it is very busy we plan to run the shuttle to get you to where you want to be in the park. The Grand Vue Park Foundation will be hosting a Community

Day on Saturday, June 18th, children under 18 will be able to use the park for a day for just \$1 and adults for \$20. The entrance fees will be put back into the Foundation to be used for youth programs. Keep the following locations in mind when putting your picnic plans together. Shelter 2 will seat 200 and has a kitchen, Shelters 3 and 4 have grills, water and electric and the Overlook Shelter has a grill, water, electric and a beautiful view of the City of Moundsville. There is a shelter that is great for Birthday parties and children's groups available at the playground and miniature golf course. For details go to the website or contact the Park office. If you haven't been here for awhile and would like to know how to get around or want to know what is new we recommend stopping in our office and asking questions of our friendly staff. We look forward to seeing you all this spring, summer and fall!

Red Barn Receives Massive Renovations

Above: The iconic Red Barn at Grand Vue Park.

Here at the park we are very excited about the drastic changes that are being done to the Red Barn. Massive renovations are being done now and will continue for the next couple months. The Red Barn will be home to the West Virginia Disc Golf Hall of Fame, which a

lot of memorabilia is being donated from Former Disc Golf World Champion Johnny Sias. Johnny has designed the two disc golf courses that we have to offer and not to mention the newest addition of the disc golf family is the "White Course". The White Course will be a first of its kind. Mountain Disc Golf will be one of the new features in the park. The 18 hole course will feature 7 waterfalls and a hike that will be unforgettable. The course will be the most challenging course that the park has to offer.

Disc golf rentals and Par 3 club rentals will be available at the Red Barn this season. All of these new features will be located on the upper floor of the Red Barn. In addition the Red Barn will also hold the park's gift shop that will sell locally made soaps and candles, t-shirts, hats, glasses, mugs, golf balls and tees, and a selection of birding equipment. Stay tuned for another special announcement in next month's news letter about an additional feature in the Red Barn that will be a big hit!

What's New at the "Vue"?

Activity of the Month

Birding Hike with Woody Yoder

April 16th & 30th Starting at the Banquet Hall at 9:00 AM.

Join us for a hike on the 4 mile yellow trail and even venture off of it as we track down our 23 nest boxes. These boxes are home to our Bluebirds and Owls here at Grand Vue Park. Each box has a set of GPS coordinates so they are easy to locate. Along your journey you may encounter bird eggs in the boxes and experience wild-life throughout the park. This event is free to everyone.

Adventure Park to Open April 9th

Here it comes!!! The grand opening of our Adventure Park is set for April 9th at 12:00 PM. The Adventure Park is tied into our existing zip line tower that hosts our 8 dual lines through the park. From the existing tower extends our new 7 Elements High Ropes Course ending with our new tower that hosts 3 new features. The new tower will be home to our most exciting feature the Power Fan, a freefall drop from 42 feet, along with the ability to rappel down

or for the non adventurous a giant spiral staircase that will take you safely down to the ground. Some other new additions include a 28 foot Rock Climbing Wall with 6 Tru Blue Auto Belays fixed to the top of each section of climbing space keeping you suspended from the ground. Each space is color coded by the type of hand

holds on the climbing wall. There will be 3 different levels of difficulty offered on the wall. If you're looking for a ride with a view hop on our 3 person Giant Swing that will send you and two others soaring into the air! If you're looking to stay a little closer to the ground hop around on our Trampoline that will allow you to get some air! Each participant will be harnessed in and will have the ability to do high jumps and flips with our controllable height monitoring system. All of our new features for the Adventure Park have different weight limits so please call the main office for more information on our new High Adventure installments.

We are offering a special package for students and school groups. Our \$49 package will be available for \$20 to groups of 10 or more. The package includes all day access to the Adventure Park, the Swimming Pool, Putt-Putt Golf, our Outdoor Skating Rink, Disc Golf and Par 3 Golf.

The former Par 3 Clubhouse will now be home to the Trailhead Grille at Grand Vue Park. And wait for it..... Mason Dixon BBQ will be returning with a full menu, a craft beer selection and a wine list. We are very proud to announce that the Trailhead Grille will be open for business on April 15th. The return of Patrick Fisher's Mason Dixon BBQ is just what the park has been needing. Patrick is a Veteran who has served his time for his country and now he will be

servicing you the greatest tasting BBQ in the valley! The Trailhead Grille will be open 7 days a week and remain open year round. There will be a soft opening at the restaurant before we roll out our hours of operation. The Trailhead Grille will offer cabin deliveries, catering, 8 new hi-def TV's, local sports memorabilia, and a large room available for parties and conferences. There's lots more to come to this addition to the park.
