What's new at the Vue?

Message From the Manager

Craig White
General Manager

The Grand Vue Park Board and Staff continue to strive to be better for you each day and we look forward to these new additions to the Park. The Trailhead Grille featuring the Mason Dixon BBQ Company has had a great start thanks to the support of the community. In addition, while looking for a

way to add ice cream to the park to combat the summer heat we were given the opportunity to work with Owners John and Sharon Yeater of Johnny Shar's Big Dipper Ice Cream Shop. We purchased the ice cream equipment and have partnered with Hershey's Ice Cream to open our own Ice Cream shop. The location will be in the bottom of the barn and hope to open in June. Don't forget that Grand Vue Park Foundation will be hosting a Marshall County Community Day on Saturday, June 18th. Children under the age of 18 will be able to use the park for the day for just \$1 and adults for \$20. The Foundation will be partnering on that day with Marshall County Schools to kick off a Community Early Literacy

Campaign for Toddlers to Kindergarten age featuring a book giveaway. To get your tickets prior to that day and to eliminate congestion on the 18th, you can contact the office to purchase at that rate. If you wait until the day of the event to purchase, the youth tickets will still be \$1 but the adult ticket will be \$30. In the event of weather related cancellation of the event on June 18th, tickets will be honored another day in the summer you wish to visit. There will be ticket areas in 3 parking lots and the shuttle will run continuously throughout the day to get you around the park to where you want to go. This past month, Assistant GM Rick Vargo was diagnosed with cancer and will begin his battle this month so please keep him and his family in your prayers.

Eagle Scout Projects Benefit Mountain Bike Trail System

Eagle Scout Wesley Eskridge has led his team to construct one of two bridges to aid the mountain bike trail system here at Grand Vue Park. The second bridge will be completed in the first or second week of June and the bridge will also help the disc golf community on their up and coming White Course. The group finished the first bridge in one day from start to finish. For those attempting the Golf Course Trail you will encounter both

of Wesley's bridges. Both of them are etched with the Troop 79-Eagle Scout-Wesley Eskridge. The installation of these bridges will also benefit the scouts with their hikes, the mountain bike community, the disc golf community, and the Army Nation Guard on their 20 mile hikes. With the completion of the second bridge will allow Grand Vue Park to offer 21 miles of hiking and biking trails. A big thanks to Wesley and his volunteers for a job well done.

What's New at the "Vue"?

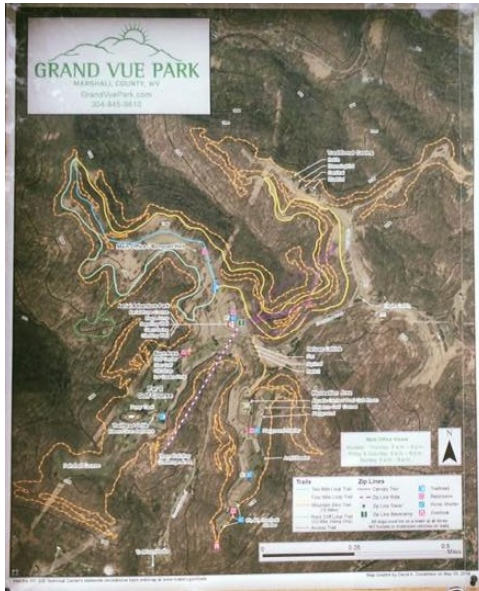

Activity of the Month

Night Time Zip Line Rides

Join us on June 25th for an Adventure filled night. Starting at 8:00 PM the Ohio Valley's #1 Outdoor Adventure Park will be offering night time zip line rides on our 2,100 ft ride. Call the park office for more information at (304) 845-9810.

WVU GIS Technical Center Rejuvenates Park Map

We are very excited about our upgrades to the park's new map. David Donaldson from the West Virginia University GIS Technical Center led his team to collect the new data of the trail system created by Todd Hager the Park's trail builder. We now have the new maps in our info boxes in the park at 4 of our trailhead boxes. The park now has 4 trails total; the 15 mile mountain bike trail (orange), the 4 mile walking trail (yellow), the 2 mile walking trail (blue), and a new .5 mile

hiking only trail called the Rock Cliff Trail (green). The trails are also available on your smart phone by searching the West Virginia Trail Inventory in your web browser. Make sure your location services are on and tap the "find my location" icon once in the park. You will be able to navigate the trails at the park and not to mention all of the trails in West Virginia. New maps will be available in the main office for park goers to pick up and check out the 21 miles of trails at the park!

Camp Cranium Returns June 13th-17th and June 20th-24th

It's that time again! The Children's Museum of the Ohio Valley is back at Grand Vue Park starting June 13th and ending June 24th. Register your child by calling the CMOV at (304) 214-5437 or visit their website at www.cmovkids.org. The camp will start at 9:00 AM and end at 3:00 PM, Monday through Friday and before and after care will be available upon

arrangement. All children entering kindergarten through the 5th grade are eligible to attend. Week one includes kids paint and snack, salad spinner art, tie dyeing shirts, screen printing posters, colorful healthy snacks everyday, and more! Week two includes PBS's Nature Cat, recycling, repurposing, and sustainability, and focusing on being green in the world. Make your arrangements today!

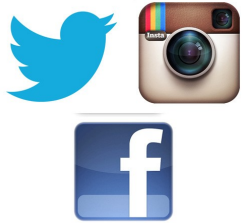

Red Barn Lower Floor Receives Hershey's Ice Cream Shop

The iconic Red Barn will receive yet another upgrade from the park. We are proud to announce that the lower floor of the barn will become home to our very own Hershey's Ice Cream Shop. The shop will offer 32 different

flavors of ice cream and give customers the option of ice cream cones, bowls, and milkshakes. If you are in the park over the summer this is a must for the whole family! The Ice Cream Shop is expected to open in late June or early July.

**Get your Kennywood and Sandcastle tickets at a discounted rate at the park! Sandcastle at the gate \$32.99– GVP \$26.00
Kennywood at the gate \$43.99 –GVP \$34.00**
