Welcome to the Grand Vue Park newsletter! With this monthly newsletter we want to connect with you, our guests, and keep you updated on programs, events, and the people who make Grand Vue Park so special. We strive to make Grand Vue Park a clean and state-of-the-art recreational facility and provide guests with an opportunity to connect with nature through our different amenities. Grand Vue Park is a county park, owned and operated by the Marshall County Park and Recreation Board, which is made up of individuals appointed by the County Commission.

It is a pleasure to serve our guests every day. From mountain biking, paintball and disc golf to our adventure park, we want Grand Vue Park to be the place you can count on for your next adventure! Grab a pair of binoculars and take a peaceful stroll through our all-natural trail system and check out the different species of birds and other wildlife amongst us.

While at the park, stop by our scenic overlook to take in the City of Moundsville landscape. Be sure to check out other locations throughout the park for more breathtaking "views" of Grand VUE Park!

### GRAND VUE PARK SHELTERS

With the growth of events and the popularity of Grand Vue Park shelters, last fall we covered the barn shelter area with a 55x75' stick-built frame. The Barn shelter has four rows of aluminum picnic benches that span the whole area and can seat 250-300 people. With this rental, you have access to the shelter, the kitchen adjacent with a stove, oven, refrigerator and plenty of prep space, with a sink and hot water tank, along with a fire pit. Restroom facilities are located outside the red barn. The Barn shelter makes for a great venue for birthdays, graduations, and even a beautiful place to make those memories on your wedding day! For more information on our shelters, call or go online to <https://bookgrandvuepark.com/wbwsc/webtrac.wsc/SPLASH.html>

## EVENT RECAP CHARCUTERIE BOARD 101

On April 21, Table 304 lead a group of 60 for a Charcuterie 101 class in the Banquet Hall at Grand Vue Park! This event sold out within the first two weeks of registration opening, making this one of our most popular events! Participants learned the art of charcuterie and even got to create a board of their own.

Table 304 owners, Libby and Devon, were thrilled to teach a class at the park, and there are already plans in the works to have them back in the fall! We want to thank Libby, Devon and everyone in attendance for a great evening! For more information about Table 304 visit their website here! [Home | Table 304](#)

## NEW ADDITIONS TO GRAND VUE PARK

Grand Vue Park is a big part of the Moundsville community and we have teamed up with a local middle school and the West Virginia Department of Tourism and added great photo-worthy additions that are a must-see when visiting Grand Vue Park!

### STUDENT MURAL

Moundsville Middle School Students from Mrs. Morgan's Studio Art Class provided an awesome mural to the Playground and Mini Golf area! Students each chose an element from the park they wanted to include, and all the students worked together to create one big collage!

Pictured with the mural are Mrs. Morgan's Studio Art Class students

Mrs. Morgan was thrilled that her students could showcase their art for many people to enjoy, and we hope to work together again in the future to create more murals in the park!

### ALMOST HEAVEN AT GRAND VUE PARK

One of the newest additions to Grand Vue Park is the Almost Heaven selfie swing. The selfie swings are located around West Virginia at all of the most Instagrammable locations! A Huge Thank You to the State Tourism Office for recognizing the Grand Vue Park Overlook as this area's most Instagrammable location. The Department of Tourism teamed up with students at Nicholas County Career and Technical Center to build the nine super-sized wooden swing sets where you can take in the stunning views at some of the most scenic spots in the state. The backdrop of the state's beautiful landscapes paired with handmade, wooden swings creates irresistible photo opportunities. This would not be possible without the funding from the Greater Moundsville Convention and Visitors Bureau, we can't express our gratitude enough! Be sure to share your photos on social media using #AlmostHeaven.

The Grand Vue Park selfie swing is located next to the scenic overlook that oversees the city of Moundsville. If you're planning to be in the area, be sure to check out other swing locations including Wheeling Heritage Port!

## WHATS NEXT FOR THE PARK?

### GRAND VUE PARK POOL

There is a tremendous amount of progress happening with the pool right now! Contractors are working seven days a week to have the pool ready by early summer. The piping for the pool is in the ground, then the concrete deck will be poured. Boilers are being installed to heat the pool and locker rooms will be finished up next week! The slide tower, slides and plumbing for the slides is complete and the footers for three large shades have been installed.

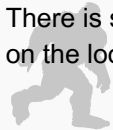

There will also be a concession stand with new menus along with a souvenir shop with swimming essentials and Grand Vue Park gear! Keep those fingers crossed for good weather in aiding a rapid completion! Stay up-to-date with our Facebook page through the month of May as things will start to happen very quickly. Thank you for your support and remember Wild and Wonderful Starts Here!

Management is assembling a great team to work at the pool when it opens. Interested in being a lifeguard? Apply in-person or online at [Careers at Grand Vue Park | West Virginia Outdoor Adventures](#)

There is still more coming to Grand Vue Park, so be on the look-out for what's next!
