

WELCOME TO GRAND VUE!

We are thrilled to welcome another season at Grand Vue, and what better way to commence it than by celebrating Park and Recreation Month this July! There is no more fitting location to honor the spirit of outdoor adventure and community than Grand Vue—our local hub for recreation in the Ohio Valley.

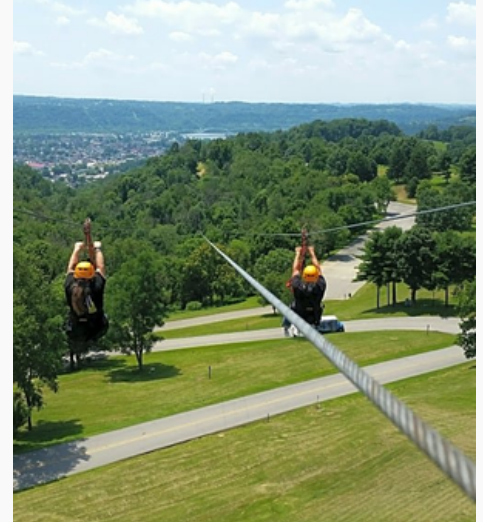

With ziplining, mountain biking, disc golf, hiking trails, mini golf, and an exhilarating water park, Grand Vue provides a diverse array of activities for both thrill-seekers and nature enthusiasts. Recreation encompasses not only adrenaline-pumping adventures but also the serene experiences of reading a book beneath the trees, engaging in peaceful birdwatching, or stargazing through the largest public-use telescope in the region.

This year, we proudly celebrate a significant milestone: the largest turnout in the history of Grand Adventure Leadership Camps. What began as a vision 11 years ago, spearheaded by community leaders such as Wendy Clutter, Woody Yoder, and Assistant General Manager Ben Bolock, has evolved into a transformative program for the youth of Marshall County. With the support of Marshall County Schools, particularly the exceptional contributions from Superintendent Dr. Shelby Haines and Assistant Superintendent Karen Klamut, these camps have become more accessible than ever. Thanks to their dedication, every student in Marshall County can participate at no cost, including transportation and meals!

This summer, the camps are operating at full capacity, accommodating approximately 150 students each week over a span of seven weeks. Campers are not only acquiring outdoor skills but are also engaging with Stephen Covey's "The 7 Habits of Highly Effective People," fostering values and cultivating respect for both one another and the natural environment.

As we contemplate the significance of recreation, let us not overlook the fundamental source of joy: play. The same spirit that enriched our childhoods continues to nurture our well-being, irrespective of age. Whether you are leisurely traversing through the trees or savoring a tranquil moment in the park, take the opportunity this month to reconnect with nature, your community, and yourself.

Celebrate. Play. Escape...Grand Vue

GRAND VUE FITNESS CLASS INFORMATION

A Message from Our Fitness Manager, Ashley Wear – Grand Vue Park:

“Wow — what an incredible start to our very first Water Aerobics season! I am truly overwhelmed by the amazing support from both our local community and visiting guests. What began as a new offering quickly turned into something far more meaningful.

We've not only seen the familiar, dedicated faces of our Grand Vue fitness community, but we've also welcomed over 30 new participants — including families, friends, moms and dads with their kids, and even multiple generations working out side by side. It's been heartwarming to witness people of all ages and walks of life coming together, laughing, connecting, and embracing wellness in such a joyful way.

One of the most beautiful things about water aerobics is its inclusivity. It's low-impact, gentle on joints, yet still provides the resistance needed for strength training and cardiovascular health. As always, we encourage you to consult with your physician before beginning any new physical activity, but know that water aerobics is truly one of the most accessible fitness experiences we offer.

Due to the overwhelming success and positive feedback, we're thrilled to continue Water Aerobics classes every Saturday at 10 a.m. throughout July and August. Whether you've been joining us regularly or have been thinking about dipping your toes in, we welcome you to come be part of the fun!

On behalf of Emily, Lindsay, and myself, thank you for making this such a special and energizing experience. It's a joy and honor to lead such an impactful opportunity for our community.”

See you around the park,
Ashley Wear
