

## WELCOME TO GRAND VUE!

As the seasons transition at Grand Vue Park, we bid farewell to a delightful summer and anticipate an exciting fall ahead. With the water park now closed and many of our dedicated team members returning to school, we wish to take this opportunity to express our gratitude.

We extend our heartfelt thanks to all our guests for choosing us as your preferred park, whether you visited for a day or spent the entire summer enjoying the fun. A special acknowledgment goes to our remarkable team members, whose efforts have contributed to creating countless unforgettable memories.

This summer was filled with memorable highlights including the zip lines resonated through the air day and night as adventurers soared above the park, and we successfully transitioned into our new partnership at the Vue Bar & Grill. Special thanks to Josey Stern and his team for facilitating this change. With the completion of our alcohol license process, we eagerly anticipate the upcoming season.

Our new fitness classes, expertly led by the talented Ashley Wear, infused the park with fresh energy, particularly the immensely popular Saturday morning water aerobics sessions. The mountain bike race proved to be another significant success, owing to the dedication of our hardworking volunteers and the exceptional efforts of Ben and his assistant, Walker. We look forward to welcoming families from across the region for the NICA Race on October 17–19!

A heartfelt thank you to Levi, our “Director of Fun,” for bringing games, laughter, and joy to our guests throughout the summer. We must also acknowledge Missy and her team at Flurry’s Ice Cream & Sweets, a beloved destination for many visitors. Last but certainly not least, Ben and the lifeguard team ensured the water park remained safe and impeccably maintained all season. We eagerly anticipate their plans for next year!

As summer winds down, we’re gearing up for an exciting fall season filled with events, programs, and outdoor fun. Stay tuned to our Facebook page and website for the latest updates. And don’t forget — Grand Vue is the perfect place to host your holiday parties, plan winter getaways, and start mapping out your next year of fun and adventure. Here’s to making memories — year-round.

## GRAND VUE FITNESS CLASS INFORMATION

Wrapping Up a Beautiful Summer with Grand Vue Park Fitness!

As summer comes to a close here at Grand Vue, I want to extend a heartfelt thank you to everyone who supported and attended our fitness classes this season. Whether you joined us once or made it part of your weekly routine, you've been an important part of our community.

This year, we were absolutely astonished by the success of our newest addition—Water Aerobics. Wow... we could have never imagined the incredible turnout! It wasn't just about the movement. It was the refreshing water, the warm sunshine, the laughter, the encouragement, and the amazing sense of community we built together.

Now, as we transition into fall, our fitness schedule will slow down just a bit while I head to Sivananda in the Bahamas to complete my 200-hour yoga certification. Even though our Saturday water workouts are ending for the season, keep an eye out for a couple of pop-up outdoor Fight Club classes—perfect for boosting your energy, torching calories, and helping you unleash your inner greatness!

Do you think Grand Vue Fitness is missing something? Have a new class idea? I'd love to hear from you! Email me at [awear@grandvuepark.com](mailto:awear@grandvuepark.com) with your suggestions, and we'll be excited to consider fresh offerings for the upcoming year.
