

# 2021 Grand Adventure Leadership Camps

## Wild and Wonderful Starts Here!

GRAND VUE PARK  
MARSHALL COUNTY, WV

Leadership is our main initiative at Grand Vue Park's Grand Adventure Leadership Camps! Each week campers will be introduced to different aspects of leadership through Leader in Me and Covey's Habits. They will learn that they can lead at home, school and in their community! The camps are all inclusive! We offer breakfast and lunch to our campers through the Marshall County Schools Food Program. There are no additional fees to swim, mini golf or participate in other park activities. Throughout each exciting week campers will have the opportunity to choose from several adventure learning labs that are listed below.

\*\*\*In addition to before and after care options, this year another add-on program will be tutoring services for students who may need a little academic boost after the past year of school closures..If you are interested in more information, please note on your registration.

## Weekly Learning Lab Choices

(Subject to change with camper interests!)

\*\*\*Special Notes: The design of our learning labs and camp themes are developed by our participants. Our campers give suggestions each day to improve what we do. We listen! We look forward to working with them this year to continue to design camp around their interests and leadership!

- Greenhouse and Gardening
- Innovation and Creation (Legos, Building, etc.)
- Fab Lab (Arts, Crafts, Building, Design)
- Project Lead the Way (Engineering, Coding, Technology)
